NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest: and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster, Munster, and Ulster, and three Counties in Connaught, and now present the following Tables for the County of Galway, purposing to give at a very early date the corresponding Tables for the County of Sligo, completing the series.

CENSUS OF IRELAND, 1891.

COUNTY OF GALWAY.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the County of Galway from the Census Returns of 1891.

SUMMARY.

Area. The County of Galway (including the County of the Town of Galway) covers an area of 1,569,505 statute acres, or 7·6 per cent. of the total area of the country.

Distribution of Land. (Table i.) According to the Agricultural Statistics (Ireland) for last year (1891), presented to Parliament by the Registrar General, there were 116,290 acres under tillage, 91,220 under meadow and clover, and 717,775 under pasture, making a total of 925,285 acres of Arable Land, or 62·5 per cent. of the total extent of land in the County; 25,740 acres, or 1·7 per cent., under Plantations; 137,097 acres, or 9·3 per cent., under Turf Bog; 98,943 acres, or 6·7 per cent., under Marsh; and 245,152 acres, or 16·6 per cent, under barren Mountain Land. The remaining 47,016 acres, or 3·2 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table ii.) The number of persons in the County of Galway according to the Census, was—in 1841, 440,198; in 1851, 321,684; in 1861, 271,478; in 1871, 249,720; in 1881, 242,005; and according to the recent Census, **214,712** (**108,283** Males and **106,429** Females), or **11·3** per cent. less than in 1881.

Families and Houses. The number of distinct Families in the County at the time of the late enumeration was 40,303, the average number of persons in a family being thus 5·2; and the number of Inhabited Houses was 39,366, showing an average of 5·4 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Baronies and Poor Law Unions. (Tables iii. and vi.) The following Statement shows, by Baronies and by Poor Law Unions, the number of persons in 1881 and 1891; and the increase or decrease during the decade:—

From the foregoing Statement it will be observed that the highest per-centage of decrease in the Baronies took place in Longford and Kiltartan, viz.:—16·8 and 15·5 respectively; and the lowest in Ross and Killian, viz.:—2·9 and 6·8 respectively. The highest per-centage of decrease in the Poor Law Unions occurred in Clifden, and the lowest in Glennamaddy; there was an increase of 9·3 per cent. in the portion of Ballinrobe situated in this County.

Birthplaces of the Inhabitants. (Table xxiv.) Of the persons enumerated in the County in 1891, 93·67 per cent. were born therein, 1·82 per cent. in other Counties of the Province of Connaught; 1·45 per cent. in Leinster; 1·39 per cent. in Munster; 0·55 per cent. in Ulster; 0·82 per cent. in Great Britain; 0·30 per cent. were born abroad; and 5 persons were born at sea.

Civic Districts. (Table v.) Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as Civic districts.

The County contains three such districts, viz.:—Galway, Loughrea, and Tuam, and portion of another (Ballinasloe). In 1881, the population of the foregoing amounted to 26,022; in 1891 it was 23,039, showing a decrease of 2,983 persons, or 11·5 per cent. In the rural districts of the County the decrease was 11·8 per cent.

Parliamentary Representation (Table v.) The County contains four Parliamentary Divisions, each returning one Member to Parliament, viz.:—Connemara, having, in 1891, a population of 50,503, and a constituency of 5,542; North Galway with a population of 51,924, and a constituency of 7,410; East Galway with a population of 49,083, and a constituency of 7,991; and South Galway with a population of 46,243, and a constituency of 6,486. The Borough of Galway, with a population of 16,959, and a constituency of 1,670, returns one member.

Religious Professions. (Table xxviii.) The following Statement shows, according to Religious Professions, the number of persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881-1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics	234,088	208,364	96·7	97·0	—	25,724	11·0
Protestant Episcopalians,	6,882	5,346	2·9	2·5	—	1,536	22·2
Presbyterians,	640	628	0·3	0·3	—	21	3·2

Total,	242,006	214,712	100·	100·	--	27,293	11·3

From the above Table it will be seen that of the total population of the County in 1891, 97·0 per cent.

were Roman Catholics, 2·5 per cent., Protestant Episcopalians, 0·3 per cent., Presbyterians, 0·1 per cent., Methodists, and 0·1 per cent., members of other Religious Denominations. During the decade there was a decrease in the number of Roman Catholics, amounting to 11·0 per cent; Protestant Episcopalians declined 22·2 per cent.; Presbyterians 3·2 per cent; and Methodists, 16·4 per cent.

Education (Table xxx.)

The following Statement shows the Educational Status of the Inhabitants of the County of Galway in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education	1881		1891	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	89,165	36·9	108,776	50·7
Read only,	26,497	10·9	18,363	8·5
Illiterate,	126,343	52·2	87,573	40·8
Total,	242,005	100	214,712	100

From the above it will be seen that whereas, according to the Returns of 1881, only 36·9 per cent. of the Inhabitants could "read and write," in 1891, 50·7 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 10·9, and in 1891, 8·5; and that the per-centage of the "illiterate" fell from 52·2 in 1881 to 40·8 in 1891.

(Table xxxii.)

The following Statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate:—

—	1881			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	109,146	107,446	213,592	192,439	96,954	95,505
Number of ditto Illiterate,	45,339	52,561	97,900	65,300	31,321	33,976
Proportion per cent.,	42·7	48·9	45·8	33·9	32·3	35·6

From the foregoing Statement it will be seen that, in 1881, 45·8 per cent. of the inhabitants aged five years and upwards were Illiterate (42·7 per cent. of the males and 48·9 of the females), and that, in 1891, the per-centage was but 33·9 (32·3 of the males and 35·6 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 34·9 per cent. of Roman Catholics, 4·5 per cent. of Protestant Episcopalians, 1·8 per cent. of Presbyterians, 2·0 per cent. of Methodists, and 2·9 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the County of Galway, according to the Census of 1881 (week ending 14th May), was 28,519, or 31·5 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May) was 30,803, or 38·0 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the County of Galway, returned as Sick, on the night of the Census, was 1,567 or 1 in every 154 of the population; in 1891 the number so returned was 1,324, or 1 in every 162 of the population; of the latter number 780 were at their own homes, and 544 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 4,055, or 1 in every 60 of the population; of this number 2,012 were inmates of Workhouses, and 2,043 were in receipt of outdoor relief; in 1891 the number returned was 4,131, or 1 in every 52 of the population; 1,627 of these being in the Workhouses, and 2,504 on outdoor relief.

Marriages, Births, and Deaths. (Table xli.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Galway during the ten years ending 31st March, 1891, was 6,415, equal to an average annual rate of 2·8 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 50,347, affording an average annual rate of 22·0 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 31,998, being equal to an average annual rate of 14·0 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 51,121 (23,827 males and 27,294 females); the number for the decade ending 31st March, 1881, was 23,665, for that ending 31st March, 1871, 38,758, and for that ending with March, 1861, 50,838, making a total of 164,382 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 50,347, and the number of Deaths 31,998; a natural increase of 18,349 would appear to have taken place in the Population; but the Emigrants, during the same period, having amounted to 51,121, the net result shown by this method of calculation is a decrease of 32,772. The decrease in the population, as shown by the Census Returns, is 27,293, a disparity in the results to be accounted for to some extent by the fact that no record of Immigrants or of Migration from one part of Ireland to another is obtainable.

NOTE.—The Census of 1821 is the first that affords a means of comparison with those of subsequent decades. The Navy and Military serving in Ireland are included in the Population Tables in 1861, 1871, 1881, and 1891, but not in previous Censuses. There were 122 of the former, and 151 of the latter returned as serving in the County of Galway in 1891.

(a) The parish of Inishbofin, comprising (in 1881) 230 houses (217 inhabited and 3 uninhabited), and 1,105 persons, was transferred from the barony of Murrisk, County of Mayo, to the barony of Ballynahinch, County of Galway, by an Order in Council which took effect on the 1st of February, 1883. The figures for previous Censuses in this Table have not been altered, and the decrease shown in 1881, has been calculated on the figures for the area published in 1871.

(a) The increase was attributed to houses having been built by a landlord for labourers.
(b) The town of Clarnabridge stands on the townlands of Hillpark, Shevenan, Stradbally, East, and Stradbally, North, in which its valuation is included. It was not a parish returned in 1871 or 1881.
(c) The remainder of the parish of Dunmore is in the barony of Ballymoe, see p. 29; the entire parish contains 7,260 persons.
(d) See note (a), p. 55.
(e) This amount includes the valuation of a portion of the town of Dunmore.

(a) The decrease in Brackagh townland is attributed to emigration, and to a house having been included in it in 1851 which properly belonged to a neighbouring townland.
(b) See note (a), p. 65.
(c) This amount includes the valuation of a portion of the town of Dunmore.

(a) The remainder of the town of Gort is in the parishes of Beagh and Kilmacduagh, see pp. 70, 72. The entire town has an estimated area of 28 acres, and contains 1,498 persons. This portion stands on the townland of same name.
(b) The remainder of the parish of Kilthomas is in the barony of Loughrea, see p. 93; the entire parish contains 1,264 persons.
(c) The decrease in the townland of Reyrawer is attributed to emigration and removals, and to houses, &c., having been returned in it in 1881, which properly belonged to the townland of Bunnaglass.
(d) The population of this townland was erroneously returned as forming the town of Shehanagh in the Census Table for 1851.
(e) See note (c), p. 74.
(f) This amount includes the valuation of a portion of the town of Kinvarra.

(a) The Civic District is composed of the township of Galway.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:

The value or condition of a house, as to its quality, may be considered to depend mainly on—
1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of the walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.
Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, and having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows, and in the first class all houses of a better description than the preceding.
The accommodation which the houses afford has also been arranged under four classes, viz.,
First Class accommodation consisting of 1st class houses occupied by one family.
Second Class accommodation consisting of 2nd class houses occupied by one family, or of 1st class houses occupied by two or three families.
Third Class accommodation comprising 3rd class houses with one family each, or 2nd class houses with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the county. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus a person who may be a Clergyman and Professor or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census publications, since 1841, to schools where the instruction is exclusively English, while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board, the Model Schools being the first. See Rules of the Commissioners of National Education, page 5.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster, Munster, and Ulster, and now present the following Tables for the County of Leitrim; purposing to give similar Tables for the other Counties in the Province of Connaught, at such short intervals as the progress of the work will permit.

From the foregoing Statement it will be observed that the highest per-centages of decrease in the Baronies took place in Mohill and Leitrim, viz., 14·5 and 13·8, respectively; and the lowest in Carrigallen and Drumahaire, viz., 10·3 and 12·9 respectively. The highest per-centage of decrease in the Poor Law Unions occurred in the portion of Ballyshannon, situated in this County, and the lowest in that portion of Bawnboy so situated.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 92·78 per cent. were born therein, 2·48 per cent. in other Counties of the Province of Connaught; 1·46 per cent. in Leinster; 0·23 per cent. in Munster; 2·51 per cent. in Ulster; 0·36 per cent. in Great Britain; and 0·16 per cent. were born abroad.

Parliamentary Representation (Table v.)

There are two Parliamentary Divisions in the County, viz., North Leitrim and South Leitrim, each returning one member to Parliament; the former Division having in 1891 a population of 39,235, and a constituency of 6,817; and the latter a population of 39,383, and a constituency of 7,352.

Religious Professions. (Table xxviii.)

The following statement shows, according to Religious Professions, the Number of Persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881–1891.		
	1891.	1881.	1891.	1881.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	71,098	81,470	90·2	90·5	–	10,372	12·7
Protestant Episcopalians,	6,447	7,735	8·2	8·6	–	1,288	16·7
Presbyterians,	246	297	0·3	0·3	–	51	17·2
Methodists,	784	833	1·0	1·0	–	49	5·9
All other Denominations (and Religion unascertained),	23	37	–	–	–	14	37·8
Information refused,	20	–	–	–	20	–	–
Total,	78,618	90,372	100·	100·	–	11,754	13·0

From the above Table it will be seen that of the total population of the County in 1891, 90·8 per cent. were Roman Catholics, 8·2 per cent. Protestant Episcopalians, 0·3 per cent. Presbyterians, and 1·0 per cent. Methodists. During the decade there was a decrease in the number of Roman Catholics, amounting to 12·7 per cent.; Protestant Episcopalians declined 16·7 per cent.; Presbyterians, 17·2 per cent.; and Methodists, 5·9 per cent.

Education. (Table xxx.)

The following statement shows the Educational Status of the Inhabitants of the County of Leitrim in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms :—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	47,311	52·3	50,091	63·7
Read only,	14,430	16·0	8,808	11·2
Illiterate,	28,631	31·7	19,719	25·1
Total,	90,372	100·	78,618	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 52·3 per cent. of the Inhabitants could "read and write," in 1891, 53·7 per cent. could do so ; that the per-centage of the population who could "read only" in 1881 was 16·0, and in 1891, 11·2 ; and that the per-centage of the "illiterate" fell from 31·7 in 1881 to 25·1 in 1891.

Table xxxii.

The following statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate.

—	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	39,749	39,857	79,636	70,470	35,810	34,660
Number of ditto Illiterate,	8,658	8,237	17,895	11,571	5,825	5,736
Proportion per cent.,	21·8	20·3	22·5	16·4	16·4	16·5

From the foregoing statement it will be seen that, in 1881, 22·5 per cent. of the inhabitants, aged five years and upwards, were Illiterate (21·8 per cent. of the males and 23·2 of the females), and that, in 1891, the per-centage was but 15·4 (16·4 of the males and 15·5 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 17·5 per cent. of Roman Catholics, 5·1 per cent. of Protestant Episcopalians, 3·7 per cent. of Presbyterians, 1·9 per cent. of Methodists, and 9·8 per cent. of "all other Denominations" were Illiterate

School Attendance. (Table xxxvii.)

The number of children attending school in the County of Leitrim, according to the Census of 1881 (week ending 14th May), was 13,312, or 38·2 per cent. of persons aged 5 years and under 20 ; in 1591 the number returned (for week ending 30th May), was 13,637, or 45·9 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the County of Leitrim returned as Sick, on the night of the Census, was 554, or 1 in every 163 of the population ; in 1891 the number so returned was 471, or 1 in every 167 of the population ; of the latter number 315 were at their own homes, and 155 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 1,515, or 1 in every 50 of the population ; of this number 688 were inmates of Workhouses, and 827 were in receipt of outdoor relief ; in 1891 the number returned was 1,365, or 1 in every 57 of the population ; 432 of these being in the Workhouses, and 933 on outdoor relief.

Marriages Births, and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities' Act ; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Leitrim, during the ten years ending 31st March, 1891, was 2,981, equal to an average annual rate of 3·5 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 19,056, affording an average annual rate of 22·5 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 12,382, being equal to an average annual rate of 14·8 per 1,000 ; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 21,008 (10,273 males and 10,735 females) ; the number for the decade ending 31st March, 1851, was 12,683 ; for that ending 31st March, 1871, 13,980 , and for that ending with March, 1851, 16,820 making a total of 64,491 for the forty years.

Registration of Births and Deaths and Emigration.

The number of Births registered during the ten years ending 31st March, 1891, being 19,056, and the number of Deaths 12,382 ; a natural increase of 5,674 would appear to have taken place in the Population ; but the Emigrants, during the same period, having amounted to 21,008, the net result shown by this method of calculation is a decrease of 14,334 ; the decrease in the population, as shown by the Census Returns, was 11,754.

(a) See note (*f*). (b) Including inmates of Carrick-on-Shannon Union Workhouse, now returned in Lisnabrack townland; see note (*d*), p. 226.
(c) This amount includes the valuation of a portion of the town of Carrick-on-Shannon. (d) See note (*f*).
(e) This amount includes the valuation of a portion of Leitrim town.
(*f*) The remainder of the town of Carrick-on-Shannon is in the parish of Killukin, barony of Boyle, County of Roscommon. This portion stands on the townland of Townparks. The decrease in 1891 is mainly attributed to the County Militia, now trained at Boyle, having been enumerated in the town in 1881.
(g) Including inmates of the Gaol and County Infirmary.
(h) Including the inmates of the Gaol, the County Infirmary, and the Military Barracks.
(*i*) The town of Drumshanbo stands on the townlands of Carrickmabrack and Drumshanbo; its estimated area is 17 acres.
(*j*) Jamestown, not now containing 20 inhabited houses, has been included with the townland of the same name on which it stood; see NOTE at head of Table VII., p. 28.
(*k*) The town of Leitrim stands on the townlands of Leitrim and Tullylannan; its estimated area is 18 acres. The enumerator reports that some houses, &c., which properly belonged to the town were included in Tullylannan townland in 1881.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards of which there are not any in the county of Leitrim.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shewn by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class of all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses occupied by two or three families.
Third Class accommodation comprising 3rd class houses with one family each, or 2nd class houses with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st Class houses inhabited by six or more families.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons circumstanced in the county. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons aged 15 years and upwards, returned as "Scholar" or "Student."

(*) The designation "Primary" has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

(†) These form the second group in the classification of the National Board, the Model Schools (of which there are none in the County Leitrim) being the first. See Rules of the Commissioners of National Education, page 5.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster, Munster, and Ulster, and one County in Connaught, and now present the following Tables for the County of Mayo, purposing to give similar Tables for the remaining Counties at short intervals.

COUNTY OF MAYO.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the County of Mayo from the Census Returns of 1891.

SUMMARY.

Area.

The County of Mayo covers an area of 1,360,731 statute acres, or 6·5 per cent. of the total area of the country.

Distribution of Land. (Table I.)

According to the Agricultural Statistics (Ireland) for last year (1891), there were 105,657 acres under tillage, 48,020 under meadow and clover, and 547,279 under pasture, making a total of 700,956 acres of Arable Land, or 53·8 per cent. of the total extent of land in the County; 10,164 acres, or 0·8 per cent. under Plantations; 252,072 acres, or 19·3 per cent. under Turf Bog; 73,621 acres, or 5·6 per cent. under Marsh, and 217,126 acres, or 16·7 per cent., under barren Mountain Land. The remaining 49,857 acres or 3·8 per cent., were returned as under "Roads, Fences, &c., &c."

In calculating these averages, the Special Inmates of Public Institutions have been omitted.

From the foregoing Statement it will be observed that the highest per-centages of decrease in the Baronies took place in Kilmaine and Clanmorris, viz., 15·0 and 12·1 respectively; and the lowest in Murrisk and Costello, viz., 7·6 and 8·6 respectively. The highest per-centage of decrease in the Poor Law Unions occurred in that portion of Ballinrobe situated in this County, and the lowest in Killala.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 96·10 per cent. were born therein; 1·80 per cent. in other Counties of the Province of Connaught; 0·62 per cent. in Leinster; 0·85 per cent. in Munster; 0·32 per cent. in Ulster; 0·64 per cent. in Great Britain; 0·17 per cent. were born abroad, and 4 persons were born at sea.

Civic Districts. (Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as civic districts.

The County contains two such districts and portion of another. In 1881 the population thereof amounted to 12,642; in 1891 it was 11,280, showing a decrease of 1,362 persons, or 10·8 per cent.; in the rural districts of the County the decrease was 10·7 per cent.

Parliamentary Representation (Table v)

There are four Parliamentary Divisions in the County, viz., North Mayo, West Mayo, East Mayo, and South Mayo, each returning one Member to Parliament; North Mayo having, in 1891, a population of 53,662, and a constituency of 7,029; West Mayo a population of 56,931, and a constituency of 8,849; East Mayo a population of 52,454, and a constituency of 7,150; and South Mayo a population of 55,987, and a constituency of 9,653.

Religious Professions. (Table xxviii.)

The following Statement shows, according to Religious Professions, the number of persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881–1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	238,203	213,979	97·1	97·5	—	24,220	10·1
Protestant Episcopalians,	5,475	4,351	2·3	2·0	—	1,124	21·2
Presbyterians,	225	723	0·1	0·3	—	208	21·2
Methodists,	278	243	0·1	0·1	—	37	20·7
All other Denominations (and Religion unascertained),	174	141	0·1	0·1	—	33	19·0
Information refused,	1	—	—	—	—	1	—
Total,	245,212	219,034	100·	100	—	26,178	10·7

From the above Table it will be seen that of the total population of the County in 1891, 97·5 per cent. were Roman Catholics, 2·0 per cent. Protestant Episcopalians, 0·3 per cent. Presbyterians, 0·1 per cent. Methodists, and 0·1 per cent. members of other Religious Denominations. During the decade there was a

decrease in the number of Roman Catholics, amounting to 10·3 per cent.; Protestant Episcopalians declined 21·9 per cent., Presbyterians, 21·9 per cent., and Methodists, 20·7 per cent.

Education. (Table xxx.) The following Statement shows the Educational Status of the Inhabitants of the County of Mayo in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	85,141	34·7	111,074	50·7
Read only,	32,314	13·4	21,467	9·8
Illiterate,	127,157	51·9	86,493	39·5
Total,	244,212	100·	219,034	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 34·7 per cent. of the inhabitants could "read and write," in 1891, 50·7 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 13·4, and in 1891, 9·8; and that the per-centage of the "Illiterate" fell from 51·9 in 1881 to 39·5 in 1891.

(Table xxxii.) The following Statement shows the population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate:—

—	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	103,746	110,293	214,039	195,050	95,967	99,083
Number of the Illiterate,	42,455	53,529	95,984	62,500	27,842	34,661
Proportion per cent.,	40·9	48·5	44·8	32·0	29·2	34·8

From the foregoing Statement it will be seen that, in 1881, 44·8 per cent. of the inhabitants aged five years and upwards were Illiterate (40·9 per cent. of the males and 48·5 of the females), and that, in 1891, the per-centage was but 32·0 (29·2 of the males and 34·8 of the females).

Religious Professions and Education. (Table xxxiii.) Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 32·7 per cent. of Roman Catholics, 5·4 per cent. of Protestant Episcopalians, 3·3 per cent. of Presbyterians, 2·0 per cent. of Methodists, and 4·7 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.) The number of children attending school in the County of Mayo, according to the Census of 1881 (week ending 14th May), was 26,701, or 27·5 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May) was 31,091, or 35·7 per cent., of the persons aged 5 and under 20.

The Sick. (Table x.) In 1881 the number of persons in the County of Mayo returned as Sick, on the night of the Census, was 1,596, or 1 in every 154 of the population; in 1891 the number so returned was 1,329, or 1 in every 165 of the population; of the latter number 911 were at their own homes, and 418 were in hospital.

Pauperism. (Table x.) The number of persons returned in 1881 as receiving relief under the Poor Law System was 3,601, or 1 in every 58 of the population; of this number 1,502 were inmates of Workhouses, and 2,099 were in receipt of outdoor relief; in 1891 the number returned was 3,763, or 1 in every 58 of the population; 1,052 of these being in the Workhouses, and 2,711 on outdoor relief.

Marriages, Births, and Deaths. (Table xii.) For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Mayo during the ten years ending 31st March, 1891, was 7,361 equal to an average annual rate of 3·2 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 54,955 affording an average annual rate of 23·7 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 31,432 being equal to an average annual rate of 13·5 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.) The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 42,368 (19,540 males and 22,828 females); the number for the decade ending 31st March, 1881, was 24,705, for that ending 31st March, 1871, 27,496, and for that ending with March, 1851, 29,317, making a total of 123,886 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population. The number of Births registered during the ten years ending 31st March, 1891, being 54,955, and the number of Deaths, 31,432; a natural increase of 23,523 would appear to have taken place in the population; but the Emigrants, during the same period, having amounted to 42,368 the net result shown, by this method of calculation, is a decrease of 18,845; the decrease in the population, as shown by the Census Returns amounts to 26,178, a disparity in the results to be accounted for to some extent by the fact that no record of migration from one part of Ireland to another is obtainable.

NOTE.—The Census of 1821 is the first that affords a means of comparison with those of subsequent decades. The Navy and Military serving in Ireland are included in the Population Tables in 1861, 1871, 1881, and 1891, but not in previous Censuses. There were 204 military returned as serving in the County of Mayo in 1891.

(a) The parish of Inishbofin, which in 1881 contained 259 houses (247 inhabited and 3 uninhabited), and 1,166 persons, was transferred from the barony of Murrisk, County of Mayo, to the barony of Ballynahinch, County of Galway, by an Order in Council, which took effect on the 1st February, 1872. The figures for previous Censuses in this Table have not been altered, and the increase shown for 1881 has been calculated on the figures for the area published in 1871.

(a) The Union of Newport, which was published in this Table in 1881, was abolished by sealed order of the Local Government Board from the 30th September, 1885, and the Dispensary Districts of Achill, Ballycroy, and Newport, of which it was composed, were transferred to the Union of Westport. Similar alterations were made in the Superintendent Registrars' Districts by the Registrar General, with the approval of the Lord Lieutenant, from the 1st January, 1886. The number of houses for 1841, 1851, 1861, 1871, and 1881, and the population for 1871 and 1881, for Westport Union, have been altered so as to agree with 1891.

(b) See note (c).

(c) The remainders of the Electoral Divisions of Achill and Corraun Achill are in the Registrar's District of Achill.

(a) The enumerator reported in 1881 that the houses and population of Knockballagh townland were probably included in the adjoining townland of Moycur in 1871. (b) The decrease is attributed to emigration and removals.
(c) The increase in the townland of Rosmoney in 1881 was attributed to the transfer of the Coast Guards stationed in the townland of Westport Demesne.
(d) The enumerator reports that this townland is now uninhabited.
(e) The remainder is in the township of Westport; the figures for 1881 and 1891 are for the entire townland.
(f) This amount includes a portion of the valuation of Westport township.

(a) The decrease is attributed to emigration and removals.
(b) The enumerator reported in 1881 that some of the houses and population included in Ballocrolehy 45 townland in 1871 probably belonged to the adjoining townland of Ballynamona.
(c) See note (c), p. 327.
(d) This amount includes the valuation of a portion of Kilmanagh town.

(a) See note (f). (b) This amount includes the valuation of a portion of Ballinrobe town.
(c) The decrease is attributed to emigration and removals.
(d) The enumerator reports that the returns for 1891 are correct, and that some houses, &c., which properly belonged to Rocksborough, South, townland were probably included in Rocksborough, North, in 1871 and 1881.
(e) The decrease is attributed to deaths and removals. (f) Including inmates of Ballinrobe Union Workhouse.
(f) The town of Ballinrobe stands on the townlands of Ballinrobe Demesne, Carrowmalecka, Cornaveya, Friarsquarter, West, Knockanotish, Knockfureen and Rathlicily; its estimated area is 112 acres. The enumerator partly attributes the decrease to 1891 to the military and some of their families having been enumerated in the town in 1881. See note (a), p. 329.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material having only one room and window, in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows; and in the first class of all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First class accommodation consisting of 1st class houses, occupied by one family.

Second class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses occupied by four or five families.

Fourth class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

NOTE.—The number of persons returned to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the county. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards* returned as "Scholar" or "Student."

* The designation "Primary," has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board; the Model Schools, of which there are none in the County of Mayo, being the first. See Rules of the Commissioners of National Education, page 5.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster, Munster, and Ulster, and two Counties in Connaught, and now present the following Tables for the County of Roscommon; purposing to give at an early date similar Tables for each of the two remaining Counties.

From the foregoing Statement it will be observed that there was an increase of 0·6 per cent. in the Barony of Moycarn, and a decrease in each of the other Baronies; the highest per-centage of decrease being 16·4 in the Barony of Ballymoe. The highest per-centage of decrease in the Poor Law Unions occurred in that portion of Boyle, situated in this County, and the lowest in that portion of Ballinasloe similarly situated.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 91·74 per cent. were born therein, 4·10 per cent. in other Counties of the Province of Connaught; 1·88 per cent. in Leinster; 0·47 per cent. in Munster; 0·63 per cent. in Ulster; 0·89 per cent. in Great Britain; and 0·29 per cent. were born abroad.

Civic Districts (Table v.)

Towns having, in 1891, a population of 2,000 and upwards are classified in the Tables as civic districts.

The County contains one such district, viz., Boyle, and portion of another, viz., Athlone. In 1881 the population of the foregoing amounted to 6,677; in 1891 it was 6,966, showing a decrease of 711 persons, or 10·6 per cent; in the rural district of the County the decrease was 13·8 per cent.

Parliamentary Representation (Table v.)

There are two Parliamentary Divisions in the County, viz., North Roscommon and South Roscommon, each returning one member to Parliament; the former Division having in 1891 a population of 56,706, constituency of 9,773; and the latter a population of 57,691, and a constituency of 9,149.

Religious Professions. (Table xxviii.)

The following statement shows, according to Religious Professions, the Number of Persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881-1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	127,813	110,290	96·5	96·4	—	17,523	13·7
Protestant Episcopalians,	4,137	3,543	3·1	3·1	—	594	14·5
Presbyterians,	307	336	0·2	0·3	29	—	9·4
Methodists,	165	128	0·1	0·1	—	37	22·4
All other Denominations (and Religion unascertained),	67	92	0·1	0·1	25	—	37·3
Information refused,	1	8	—	—	7	—	—
Total,	132,490	114,397	100·	100·	—	18,093	13·7

From the above Table it will be seen that of the total population of the County in 1891, 96·4 per cent. were Roman Catholics, 3·1 per cent. Protestant Episcopalians, 0·3 per cent. Presbyterians, 0·1 per cent. Methodists, and 0·1 per cent. members of other Religious Denominations. During the decade there was a decrease in the number of Roman Catholics, amounting to 13·7 per cent.; Protestant Episcopalians declined 14·4 per cent.; Presbyterians increased 9·4 per cent.; and there was a decrease of 37, or 22·4 per cent, in the number of Methodists.

Education. (Table xxx.)

The following statement shows the Educational Status of the Inhabitants of the County of Roscommon in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	66,868	50·4	72,248	63·2
Read only,	18,373	13·9	12,029	10·5
Illiterate,	47,259	35·7	30,120	26·3
Total,	132,490	100·	114,397	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 50·4 per cent. of the Inhabitants could "read and write," in 1891, 63·2 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 13·9, and in 1891, 10·5; and that the per-centage of the "illiterate" fell from 35·7 in 1881 to 26·3 in 1891.

Table xxxii.

The following statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate.

—	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	58,903	58,407	117,310	103,064	52,311	50,773
Number of ditto Illiterate,	15,150	16,929	32,079	18,807	9,186	9,621
Proportion per cent.,	25·7	29·0	27·3	18·2	17·6	18·9

From the foregoing statement it will be seen that, in 1881, 27·3 per cent. of the inhabitants, aged five years and upwards, were Illiterate (25·7 per cent. of the males and 29·0 of the females), and that, in 1891, the per-centage was but 18·2 (17·6 of the males and 18·9 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 18·8 per cent. of Roman Catholics, 3·7 per cent. of Protestant Episcopalians, 1·4 per cent. of Presbyterians, 2·5 per cent. of Methodists, and 3·4 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the County of Roscommon, according to the Census of 1881 (week ending 14th May), was 17,734, or 34·7 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May), was 17,951, or 41·6 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the County of Roscommon returned as Sick, on the night of the Census, was 807, or 1 in every 164 of the population; in 1891 the number so returned was 569, or 1 in every 201 of the population; of the latter number 329 were at their own homes, and 240 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 2,899, or 1 in every 48 of the population; of this number 1,144 were inmates of Workhouses, and 1,755 were in receipt of outdoor relief; in 1891 the number returned was 2,397, or 1 in every 48 of the population; 746 of these being in the Workhouses, and 1,651 on outdoor relief.

Marriages Births, and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities' Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Roscommon, during the ten years ending 31st March, 1891, was 3,926, equal to an average annual rate of 3·2 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 26,309, affording an average annual rate of 21·3 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 17,025, being equal to an average annual rate of 13·8 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 23,128 (11,225 males and 11,903 females); the number for the decade ending 31st March, 1881, was 13,790; for that ending 31st March, 1871, 21,393; and for that ending with March, 1861, 27,756 making a total of 86,067 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 26,309, and the number of Deaths 17,025; a natural increase of 9,284 would appear to have taken place in the Population; but the Emigrants, during the same period, having amounted to 23,128, the net result shown by this method of calculation is a decrease of 13,844; the decrease in the population, as shown by the Census Returns, amounts to 18,093, a disparity in the results to be accounted for to some extent by the fact that no record of Migration from one part of Ireland to another is obtainable.

The Navy and Military serving in Ireland are included in the Population Tables in 1861, 1871, 1881, and 1891, but not in previous Censuses. There were 763 Military returned as serving in the County of Roscommon in 1891.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

Note.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, *i.e.*, their actual state

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what might be considered a good farm house, having from five to nine rooms and windows, and in the first class of all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses occupied by one family, or of 1st class houses, occupied by two or three families.
Third Class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and first class houses inhabited by six or more families.

NOTE.—The number of persons returned to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons in circumstances in the County. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board, the Model Schools being the first, of which there are none in the County of Roscommon. See Rules of the Commissioners of National Education, page 5.

NOTE.

It was considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase, the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appears to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have presented Tables for each County in the Provinces of Leinster, Munster, and Ulster, and four Counties in Connaught, and now present the following Tables for the County of Sligo, completing the series.

CENSUS OF IRELAND, 1891.

COUNTY OF SLIGO.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the County of Sligo from the Census Returns of 1891.

SUMMARY.

Area.

The County of Sligo covers an area of 461,796 statute acres, or 2·2 per cent. of the total area of the country.

Distribution of Land. (Table I.)

According to the Agricultural Statistics (Ireland) for last year (1891), there were 40,571 acres under tillage, 33,534 under meadow and clover, and 240,301 under pasture, making a total of 314,406 acres of Arable Land, or 09·8 per cent. of the total extent of land in the County; 7,670 acres, or 1·7 per cent. under Plantations; 32,488 acres, or 7·2 per cent. under Turf Bog; 11,774 acres, or 2·6 per cent. under Marsh, and 67,349 acres, or 15·0 per cent., under barren Mountain Land. The remaining 16,433 acres or 3·7 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table II.)

The number of persons in the County of Sligo according to the Census was—in 1841, 180,886; in 1851, 128,515; in 1861, 124,845; in 1871, 115,493; in 1881, 111,578; and according to the recent Census, **98,013** (**48,670** Males and **49,343** Females), or **12·2** per cent. less than in 1881.

Families and Houses.

The number of distinct Families in the County at the time of the late enumeration was 18,712, the average number of persons in a family being thus 5·2; and the number of Inhabited Houses was 18,475, showing an average of 5·2 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Baronies and Poor Law Unions. (Tables iii. and vi.)

The following Statement shows, by Baronies and by Poor Law Unions, the number of persons in 1881 and 1891; and the decrease during the decade:—

Baronies.	Population.		Decrease between 1881 and 1891.		Poor Law Unions.	Population.		Decrease between 1881 and 1891.	
	1881.	1891.	Number.	Rate per cent.		1881.	1891.	Number.	Rate per cent.
Carbury,	29,224	26,707	2,517	8·6	Ballina, part of,	4,090	3,597	502	12·2
Coolavin,	8,069	7,055	1,014	12·6	Boyle, part of,	18,346	16,033	2,313	12·6
Corran,	11,570	10,198	1,372	11·9	Dromore, West,	17,349	15,019	2,330	13·4
Leyny,	24,982	21,628	3,354	13·4	Sligo,	46,063	41,151	4,909	10·7
Tireragh,	21,449	18,616	2,833	13·2	Tobercurry,	25,721	22,210	3,511	13·7
Tirerrill,	16,284	13,809	2,475	15·2					
Total,	111,578	98,013	13,565	12·2	Total,	111,578	98,013	13,565	12·2

From the foregoing Statement it will be observed that the highest per-centage of decrease in the Baronies took place in Tirerrill and Leyny, viz., 15·2 and 13·4 respectively; and the lowest in Carbury and Corran, viz., 8·6 and 11·9 respectively. The highest per-centage of decrease in the Poor Law Unions occurred in Tobercurry, and the lowest in Sligo.

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the County in 1891, 92·60 per cent. were born therein; 4·14 per cent. in other Counties of the Province of Connaught; 0·84 per cent. in Leinster; 0·36 per cent. in Munster; 0·90 per cent. in Ulster; 0·94 per cent. in Great Britain; 0·22 per cent. were born abroad, and 1 person was born at sea.

Civic Districts. (Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as civic districts.

The County contains one such district, viz., Sligo, and portion of another, viz, Ballina. In 1881 the population thereof amounted to 12,250; in 1891 it was 11,468, showing a decrease of 782 persons, or 6·4 per cent.; in the rural districts of the County the decrease was 12·9 per cent.

Parliamentary Representation (Table v.)

There are two Parliamentary Divisions in the County, each returning one Member to Parliament; North Sligo, with a population of 48,686, and a constituency of 8,484, and South Sligo, with a population of 49,327, and a constituency of 8,157.

Religious Professions. (Table xxviii.)

The following Statement shows, according to Religious Professions, the number of persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881–1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	101,483	89,015	90·9	90·8	—	12,468	12·3
Protestant Episcopalians,	8,213	7,389	7·4	7·5	—	824	10·0
Presbyterians,	881	691	0·8	0·7	—	190	21·6
Methodists,	642	580	0·6	0·6	—	62	9·7
All other Denominations (and Religion unascertained),	359	337	0·3	0·4	—	22	6·1
Information refused,	—	1	—	—	1	—	—
Total,	111,578	98,013	100·	100·	—	13,565	12·2

From the above Table it will be seen that of the total population of the County in 1891, 90·8 per cent. were Roman Catholics, 7·5 per cent. Protestant Episcopalians, 0·7 per cent. Presbyterians, 0·6 per cent. Methodists, and 0·4 per cent. members of other Religious Denominations. During the decade there was a

decrease in the number of Roman Catholics, amounting to 12·3 per cent.; Protestant Episcopalians declined 10·0 per cent., Presbyterians, 21·6 per cent., and Methodists, 9·7 per cent.

Education. (Table xxx.) The following Statement shows the Educational Status of the Inhabitants of the County of Sligo in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms:—

Degrees of Elementary Education.	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	52,802	47·1	59,116	60·3
Read only,	15,574	14·0	9,447	9·6
Illiterate,	43,402	38·9	29,450	30·1
Total,	111,578	100·	98,013	100·

From the above it will be seen that whereas, according to the Returns of 1881, only 47·1 per cent. of the inhabitants could "read and write," in 1891, 60·3 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 14·0, and in 1891, 9·6; and that the per-centage of the "Illiterate" fell from 38·9 in 1881 to 30·1 in 1891.

(Table xxxii.) The following Statement shows the population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate:—

—	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	48,556	50,096	98,652	88,309	43,802	44,507
Number of ditto Illiterate,	14,469	16,007	30,476	19,746	9,615	10,131
Proportion per cent.,	29·8	32·0	30·9	22·4	22·0	22·8

From the foregoing Statement it will be seen that, in 1881, 30·9 per cent. of the inhabitants aged five years and upwards were Illiterate (29·8 per cent. of the males and 32·0 of the females), and that, in 1891, the per-centage was but 22·4 (22·0 of the males and 22·8 of the females).

Religious Professions and Education. (Table xxxiii.) Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 24·1 per cent. of Roman Catholics, 8·7 per cent. of Protestant Episcopalians, 3·9 per cent. of Presbyterians, 2·7 per cent. of Methodists, and 4·9 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.) The number of children attending school in the County of Sligo, according to the Census of 1881 (week ending 14th May), was 13,980, or 82·3 per cent of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May) was 15,365, or 41·3 per cent., of the persons aged 5 and under 20.

The Sick. (Table x.) In 1881 the number of persons in the County of Sligo returned as Sick, on the night of the Census, was 651, or 1 in every 171 of the population; in 1891 the number so returned was 600, or 1 in every 163 of the population; of the latter number 353 were at their own homes, and 247 were in hospital.

Pauperism. (Table x.) The number of persons returned in 1881 as receiving relief under the Poor Law System was 3,284, or 1 in every 34 of the population; of this number 598 were inmates of Workhouses, and 2,666 were in receipt of outdoor relief, in 1891 the number returned was 1,734, or 1 in every 56 of the population; 446 of these being in the Workhouses, and 1,288 on outdoor relief.

Marriages, Births, and Deaths. (Table xii.) For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act; which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar-General, the number of Marriages registered in the County of Sligo during the ten years ending 31st March, 1891, was 3,237 equal to an average annual rate of 3·1 per 1,000 of the population. The number registered in the whole of Ireland during the same period, affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the County during the ten years was 21,907, affording an average annual rate of 20·9 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 14,322 being equal to an average annual rate of 13·7 per 1,000, the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.) The number of Emigrants from the County during the ten years ending 31st March, 1891, amounted to 23,594 (11,332 males and 12,262 females); the number for the decade ending 31st March, 1881, was 11,708, for that ending 31st March, 1871, 12,049, and for that ending with March, 1881, 13,328, making a total of 60,679 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population. The number of Births registered during the ten years ending 31st March, 1891, being 21,907, and the number of Deaths, 14,322; a natural increase of 7,585 would appear to have taken place in the population; but the Emigrants, during the same period, having amounted to 23,894 the net result shown, by this method of calculation, is a decrease of 16,009; the decrease in the population, as shown by the Census Returns was 13,565, a disparity in the results to be accounted for to some extent by the fact that no record of Migration from one part of Ireland to another is obtainable.

(a) The remainder is in the Registrar's District of Sligo, No. 2.
(b) The remainder of Sligo Electoral Division is in Sligo, No. 2, Registrar's District. As the Act for the Registration of Births and Deaths (36 Vic., cap. 11), by which the Registrar's Districts were defined, did not come into operation until 1864, it is not now found practicable to give the number of houses and population in 1841, 1851, and 1901, for each of the Districts into which the Electoral Division of Sligo has been divided for registration purposes. In 1861 the Electoral Division of Sligo contained 2,143 houses.

(a) Ballyglass and Curry, not containing 20 inhabited houses each, have been included with the townlands on which they respectively stood.
(b) The town of Bellaby stands on the townland of the same name; its estimated area is 10 acres.
(c) The town of Tobercurry stands on the townlands of Carrowntober and Tobercurry, its estimated area is 27 acres.
(d) Including inmates of Union Workhouse returned in Carrowntober townland, in 1871.
(e) The remainder of the parish of Ballysadare is in the barony of Tirerrill, see p. 560; the entire parish contains 3,263 persons.
(f) See note (i). (f') The decrease is attributed to emigration. (g) This amount includes the valuation of a portion of Ballysadare town.
(h) The townland of Tawego Intake has been inserted on the Ordnance Maps since 1881.
(i) The remainder of the town of Ballysadare is in the parish of Ballysadare, barony of Tirerrill, see p. 561. The entire town has an estimated area of 40 acres, and contains 284 persons. This portion stands on the townlands of Kilboglashy, Knockmuldoney, and Knoxpark. The decrease in 1891 is attributed to reduced employment in the milling and stonecutting industries.

(a) Derinch was returned in 1891 in the Census publication as an island. It has since been inserted on the Ordnance Maps as a townland named Derinch Island.
(b) Teishfall is not now an island; its area, as well as that of two of the "Five Others" returned in this parish in 1891, has been added to adjoining townlands.
(c) See note (c), p. 566. (d) This amount includes the valuation of a portion of Easky town.
(e) It appears from a note on page 233, volume IV., part I., Census of 1861, that these persons should have been included in the townland of Kilmahurry, Kilshalvy parish, Corran barony.

(a) The remainder of the town of Ballysadare is in the parish of Ballysadare, barony of Leyny, see p. 551; the entire town has an estimated area of 40 acres, and contains 234 persons. This portion stands on the townland of the same name. The decrease in 1891 is attributed to removals owing to reduced employment in the Milling and Stone Cutting industries.

(b) The town of Calloosey stands on the townland of the same name; its estimated area is 22 acres.

(c) Toberscanavan, not containing 20 inhabited houses, has, as in 1881, been included with the townlands of Markree Demesne and Mullaghanbreena, on which it stood.

(d) The decrease is attributed to emigration.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st, its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded by all the elements, i.e., their actual state.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material having only one room and window; in the third a better description of house, varying from one to four rooms and windows; in the second, what ought to be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz—

First class accommodation consisting of 1st class houses, occupied by one family.

Second class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses, occupied by two or three families.

Third class accommodation comprising 3rd class houses, with one family each, or 2nd class houses, with two or three families, or 1st class houses, occupied by four or five families.

Fourth class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st class houses inhabited by six or more families.

NOTE.—The number of persons returned to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons circumstanced in the County. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference return himself under one head only of occupation or condition. Thus a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of those characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 10 years and upwards*, returned as "Scholar" or "Student."

* The designation "Primary" has been applied in Irish Census Publications since 1841 to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general education than is to be found where such an element is wanting.

† These form the second group in the classification of the National Board; the Model Schools being the first. See Rules of the Commissioners of National Education, page 5.

NOTE.

It has been considered desirable (as in 1881) that those of the public who might not require, or be disposed to purchase the Census Abstracts and Reports in their completeness, should have access at a small cost to the statistics of the Territorial Division in which they may have a more immediate interest; and as, in Ireland, the County appeared to be the most convenient and familiar area for which the principal particulars should be afforded in abstract, the Census Commissioners, with the approval of His Excellency the Lord Lieutenant, have published Tables for the several Counties in the Province of Connaught, and now present Summary Tables for that Province, and a Synopsis of the results given in the Summaries prefixed to the County Books, together with Indexes to the several Territorial Divisions. Similar publications have been issued for the Provinces of Leinster, Munster, and Ulster.

It has not been considered necessary to compile Provincial Summaries of Tables IV., VII., XV., XX., XXI., and XXXI.

CENSUS OF IRELAND, 1891.

PROVINCE OF CONNAUGHT.

In addition to the information contained in the County Tables, it has been deemed advisable to adopt the course pursued in 1881, and give the following Summary of the results obtained respecting the Province of Connaught from the Census Returns of 1891.

SUMMARY.

Area.

The Province of Connaught covers an area of 4,392,453 statute acres, or 21·1 per cent. of the total area of the country.

Distribution of Land. (Table i.)

According to the Agricultural Statistics (Ireland) for last year (1891), there were 350,965 acres under tillage, 291,114 under meadow and clover, and 2,059,352 under pasture, making a total of 2,701,331 acres of Arable Land, or 64·6 per cent., of the total extent of land in the Province; 53,934 acres, or 1·3 per cent., under Plantations; 511,753 acres, or 12·2 per cent., under Turf Bog; 205,385 acres, or 4·9 per cent., under Marsh, and 569,512 acres, or 13·7 per cent., under barren Mountain Land. The remaining 139,485 acres, or 3·8 per cent., were returned as under "Roads, Fences, &c., &c."

Population. (Table ii.)

The number of persons in the Province of Connaught according to the Census was—in 1841, 1,418,859; in 1851, 1,010,031; in 1881, 913,135; in 1871, 846,213; in 1881, 821,657; and according to the recent Census, **724,774** (**362,166** Males, and **362,608** Females) or **11·8** per cent. less than in 1881.

Families and Houses.

The number of distinct Families in the Province at the time of the late enumeration was 136,277, the average number of persons in a family being thus 5·2; and the number of Inhabited Houses was 134,009, showing an average of 5·3 persons to each house. In calculating these averages, the Special Inmates of Public Institutions have been omitted.

Baronies and Poor Law Unions. (Tables iii. and vi.)

The following Statement shows, by Counties, the number of persons in 1881 and 1891; and the decrease during the decade:—

Counties.	Population.		Decrease between 1881 and 1891.	
	1881.	1891.	Number.	Rate per cent.
Galway County,	242,006	214,712	27,294	11·3

Sligo, "	111,578	98,013	13,565	12·2
Total,	821,657	724,774	96,883	11·8

Birthplaces of the Inhabitants. (Table xxiv.)

Of the persons enumerated in the Province in 1891, 96·41 per cent. were born therein; 1·19 per cent. in Leinster; 0·87 per cent. in Munster; 0·75 per cent. in Ulster; 0·75 per cent. in Great Britain; 0·23 per cent. were born abroad; and 10 persons were born at sea.

Civic Districts (Table v.)

Towns having, in 1891, a population of 2,000 and upwards, are classified in the Tables as civic districts.

The Province contains 9 such districts, and portion of another. In 1881 the population of the foregoing amounted to 58,538; in 1891 it was 52,983, showing a decrease of 5,555 persons, or 9·5 per cent.; in the rural district of the Province the decrease was 12·0 per cent.

Religious Professions. (Table xxviii.)

The following statement shows, according to Religious Professions, the Number of Persons in 1881 and 1891, and the increase or decrease during the decade:—

Religious Professions.	Number of Persons.		Per-centage of Total Population.		Increase or Decrease, 1881–1891.		
	1881.	1891.	1881.	1891.	Increase.	Decrease.	Rate per cent.
Roman Catholics,	783,116	692,369	95·3	95·5	—	90,747	11·6
Protestant Episcopalians,	32,522	27,070	3·9	3·7	—	5,452	16·7
Presbyterians,	3,036	2,623	0·4	0·4	—	135	14·2
Methodists,	2,230	1,981	0·3	0·3	—	258	11·6
All other Denominations (and Religion unascertained),	118	701	0·1	0·1	—	17	2·4
Information refused,	3	30	—	—	27	—	—
Total,	821,657	724,774	100·0	100·0	—	96,883	11·8

From the above Table it will be seen that of the total population of the Province in 1891, 95·5 per cent. were Roman Catholics, 3·7 per cent. Protestant Episcopalians, 0·4 per cent. Presbyterians, 0·3 per cent. Methodists, and 0·1 per cent. members of other Religious Denominations. During the decade there was a decrease in the number of Roman Catholics, amounting to 11·6 per cent.; Protestant Episcopalians declined 16·7 per cent.; Presbyterians 14·2 per cent.; and Methodists 11·2 per cent.

Education. (Table xxx.)

The following statement shows the Educational Status of the Inhabitants of the Province of Connaught in 1881 and 1891, in so far as relates to the degrees of elementary education relative to which inquiry was made on the Census Forms :—

Degrees of Elementary Education	1881.		1891.	
	Number of Persons.	Rate per cent.	Number of Persons.	Rate per cent.
Read and Write,	341,107	41·5	401,305	55·4
Read only,	107,788	13·1	70,114	9·7
Illiterate,	372,762	45·4	253,355	34·9
Total,	821,657	100	724,774	100

From the above it will be seen that whereas, according to the Returns of 1881, only 41·5 per cent. of the Inhabitants could "read and write," in 1891, 55·4 per cent. could do so; that the per-centage of the population who could "read only" in 1881 was 13·1, and in 1891, 9·7; and that the per-centage of the "illiterate" fell from 45·4 in 1881 to 34·9 in 1891.

Table xxxii.

The following statement shows the Population five years old and upwards, also the number and proportion per cent. thereof who were Illiterate.

	1881.			1891.		
	Males.	Females.	Total.	Total.	Males.	Females.
Population, 5 years old and upwards,	357,160	366,128	723,228	649,352	324,024	325,328
Number of ditto Illiterate,	126,071	148,263	274,334	177,933	83,808	94,125
Proportion per cent.,	35·3	40·5	37·9	27·4	25·9	28·9

From the foregoing statement it will be seen that, in 1881, 37·9 per cent. of the inhabitants, aged five years and upwards, were Illiterate (35·3 per cent. of the males and 40·5 of the females), and that, in 1891, the per-centage was but 27·4 (25·9 of the males and 28·9 of the females).

Religious Professions and Education. (Table xxxiii.)

Taking Religious Professions and Education in combination, it appears that in 1891, excluding children under five years of age, 28·5 per cent. of Roman Catholics, 5·2 per cent. of Protestant Episcopalians, 2·9 per cent. of Presbyterians, 2·2 per cent. of Methodists, and 4·7 per cent. of "all other Denominations" were Illiterate.

School Attendance. (Table xxxvii.)

The number of children attending school in the Province of Connaught, according to the Census of 1881 (week ending 14th May), was 100,246, or 31·7 per cent. of persons aged 5 years and under 20; in 1891 the number returned (for week ending 30th May), was 109,276, or 39.3 per cent. of the persons aged 5 and under 20.

The Sick. (Table x.)

In 1881 the number of persons in the Province of Connaught returned as Sick, on the night of the Census, was 5,175, or 1 in every 159 of the population; in 1891 the number so returned was 4,293, or 1 in every 168 of the population; of the latter number 2,688 were at their own homes, and 1,605 were in hospital.

Pauperism. (Table x.)

The number of persons returned in 1881 as receiving relief under the Poor Law System was 15,334, or 1 in every 54 of the population; of this number 5,944 were inmates of Workhouses, and 9,390 were in receipt of outdoor relief; in 1891 the number returned was 13,390, or 1 in every 54 of the population; 4,303 of these being in the Workhouses, and 9,087 on outdoor relief.

Marriages Births and Deaths. (Table xii.)

For the purposes of Registration of Births, Deaths, and Marriages, the Poor Law Union forms a "Superintendent Registrar's District." Each Union or Superintendent Registrar's District is divided into Dispensary Districts for the Medical Relief of the poor under the Medical Charities Act, which Districts, save in a few instances, are identical with the Registrars' Districts. Each Dispensary District is composed of a certain number of Poor Law Electoral Divisions.

According to the Returns of the Registrar General, the number of Marriages registered in the Province of Connaught, during the ten years ending 31st March, 1891, was 23,920, equal to an average annual rate of 3·1 per 1,000 of the population. The number registered in the whole of Ireland during the same period affords an average annual rate of 4·3 per 1,000.

The number of Births registered in the Province during the ten years was 172,574, affording an average annual rate of 22·3 per 1,000 of the population, the average yearly rate for the whole of Ireland during the same period being 23·2 per 1,000.

The Deaths registered during the decennium amounted to 107,159, being equal to an average annual rate of 13·9 per 1,000; the corresponding rate for the whole of Ireland was 17·8 per 1,000.

Emigration. (Table xxxviii.)

The number of Emigrants from the Province during the ten years ending 31st March, 1891, amounted to 161,219 (76,197 males and 85,022 females); the number for the decade ending 31st March, 1881, was 86,551; for that ending 31st March, 1871, 113,678; and for that ending with March, 1861, 138,059, making a total of 499,505 for the forty years.

Registration of Births and Deaths and Emigration. Decrease in the Population.

The number of Births registered during the ten years ending 31st March, 1891, being 172,574, and the number of Deaths 107,159; a natural increase of 65,415 would appear to have taken place in the Population; but the Emigrants, during the same period, having amounted to 161,219, the net result shown by this method of calculation is a decrease of 95,804; the decrease in the population, as shown by the Census Returns, amounts to 96,883, a disparity in the results to be accounted for to some extent by the fact that no record of Immigrants or of Migration from one part of Ireland to another is obtainable.

The Navy and Military serving in Ireland are included in the Population Tables in 1861, 1871, 1881, and 1891, but not in previous Censuses. There were 151 of the former and 1,456 of the latter returned as serving in the Province of Connaught in 1891.

NOTE.—The counties in the Province of Connaught were divided into Parliamentary Divisions under the Redistribution of Seats Act (1885), 48 & 49 Vic., cap. 23. The Parliamentary Borough of Athlone, part of which was situated in this Province, ceased under the same Act to be a Parliamentary Borough. No change was made in the area of the Parliamentary Borough of Galway, but the number of members returned by it was reduced from two to one.

(a) The Civic Districts comprise all Municipal Boroughs, Townships, and Towns of 2,000 inhabitants and upwards.

NOTE.—The plan of classification in the foregoing Table is the same as that adopted in former Censuses, and may be thus described:—

The value or condition of a house, as to its quality, may be considered to depend mainly on—

1st. its extent, as shown by the number of rooms; 2nd, its quality, as shown by the number of its windows; and 3rd, its solidity or durability, as shown by the material of its walls and roof. If numbers be adopted to express the position of every house in a scale of each of these elements, and if the numbers thus obtained for every house be added together, a new series of numbers will be produced, giving the position of each house in a scale compounded of all the elements, i.e., their actual sum.

Four classes have been adopted, and the result is, that in the lowest of the four classes are comprised houses principally built of mud or other perishable material, having only one room and window; in the third a better description of house varying from one to four rooms and windows; to the second what might be considered a good farm house, having from five to nine rooms and windows; and in the first class all houses of a better description than the preceding.

The accommodation which the houses afford has also been arranged under four classes, viz.:—

First Class accommodation consisting of 1st class houses, occupied by one family.
Second Class accommodation consisting of 2nd class houses, occupied by one family, or of 1st class houses occupied by two or three families.
Third Class accommodation comprising 3rd class houses with one family each, or 2nd class houses with two or three families, or 1st class houses occupied by four or five families.
Fourth Class accommodation includes all 4th class houses, 3rd class houses with more than one family, 2nd class houses with four or more families, and 1st Class houses inhabited by six or more families.

NOTE.—The number of persons referred to a particular occupation, profession, or rank, must not be taken as intended to represent the actual total of persons so circumstanced in the Province. An individual having more occupations than one, or an occupation distinct from his profession, or income distinct from both, will often, either through inadvertence, or of preference, return himself under one head only of occupation or condition. Thus, a person who may be a Clergyman and Professor, or Barrister and Land Agent, or Judge and Land Owner, will very generally be found returned in one of these characters.

(a) In this Class, Order, and Sub-Order, are included all persons *aged 15 years and upwards*, returned as "Scholar" or "Student."

(*) The designation "Primary" has been applied in Irish Census Publications, since 1841, to schools where the instruction is exclusively English; while those schools in which a foreign language is taught have been classed as "Superior," upon the assumed likelihood that the presence of a foreign language in the school course argues a higher standard of general instruction than is to be found where such an element is wanting.

(†) These form the second group in the classification of the National Board, the Model Schools being the first. See Rules of the Commissioners of National Education, page 5.

INDEX TO TOWNLANDS AND TOWNS.

NOTE.—The County in which each Townland or Town is situated may be determined by comparing the number of the page on which it appears with the numbers of the pages occupied by each County—thus the Townland of Abbeycartron, which is to be found on page 467, is in the County of Roscommon, as that County occupies pp. 419 to 526.

The number *prefixed* to each Townland denotes the number of the Electoral Division in which it is situated, as given in the Alphabetical List of Electoral Divisions commencing on p. 605: thus the Townland of Abbeylands having 599 prefixed, shows that it is situated in the Electoral Division of Killala, and Poor Law Union of Killala. See p. 656.

Galway Co. occupies pp. 1-198; *Leitrim*, 199-272; *Mayo*, 273-418; *Roscommon*, 419-526; *Sligo*, 527-608.
